

Pistenclub e.V. Membership

Fellow Sportsdrivers !

Our club was formally founded in 2001 and has been registered as non-profit association since February 2002. This carries certain advantages for all people concerned, since among others we aim to:

- organising on a regular basis **driving events** at an affordable cost at various tracks and grounds, such as licence-free practice runs on race tracks and circuits, sportive-dynamic **Drive & Drift-Events**, sportsdriver courses including licence preparation, instructor and marshal training, and this on various international race tracks and other professional testing grounds,
- **coaching** sportsdrivers, to optimize their own vehicle command and control, and thereby contributing to the prevention of accidents in daily road traffic, and this also for inexperienced drivers,
- pull **sportive driving** off and away from public roads on exclusively reserved and shut off grounds, race circuits and tracks and thereby providing the opportunity to all interested car drivers, especially sports car drivers, to be active in motor sportive activities,
- collaborate with other clubs and organisations.

An **Association** has definitely better opportunities to hire various race tracks – and as such we will again be organising in 2007 licence-free practice runs for sportsdrivers, including premium race tracks such as **Spa-Francorchamps** and **Nürburgring**, usually supported by of experienced instructors, so that also less experienced sportsdrivers are enjoying the fascination of driving on race tracks with the own car in a safe and proper manner. Since this is extremely time intensive and costly, our club seeks as many members as possible.

Everybody may become a **Pistenclub e.V. member** – members are given priority at the respective events, and participation at our events is offered at reduced participation fees. At present, the annual regular membership fee amounts to 75 Euros – and there are currently no admission fees (as at January 2009). Members have no obligation to provide any further organizational tasks.

It is our pleasure that you share the same interests and enjoy sports-driving events. Please apply **now** as a Pistenclub e.V. member.

Application for membership

I hereby apply for Pistenclub e.V. membership and I agree to abide by its current articles of association. I understand that I can cancel my membership by written notice to the club committee board at any time with 6 weeks' notice before year-end. Without written notice, my membership will extend automatically.

My annual membership fee of 75 Euros per annum is payable on admission; it becomes due every year thereafter on February 1st.
